

**Tips and Hints #2**

December 21, 2009 (rev.)

## Check Out Your Website Rating

Use this FREE independent rating tool to see how your Website scores.

#1 Go to <http://websitegrader.com/>.

Enter your site URL (skip competitors).

Be sure to put in an e-mail address to send yourself a link.  
Save the link to a folder to compare to later results.

You can also save the displayed report as a pdf file for future review.  
([E-mail me](#) for a link to a FREE pdf creator if you do not have one.  
I'll send by return e-mail with instructions!)

#2. Compare your score against my sites' recent  
(Dec. 2009) ratings: 71, 82, 83 and 94.

#3. Please [contact me](#) for a no-obligation consultation  
if you need help interpreting the results  
or

to improve your ratings to increase your traffic and resulting sales.
